Microdermabrasion 1hr 45min - \$125 series of 6 treatments - \$625

A fast and efficient way of removing dead cell tissues from the outermost layers of the skin. Your skin will look younger and healthier. Regular treatments will maintain a youthful appearance, especially when a part of a well organized regimen of skincare. Our Microdermabrasion technique offers the delivery of minute sterilized crystals in a precisely controlled manner across the skin surface. There's no down-time, and most people may return to work immediately with a more vibrant, healthier looking complexion that's free from the ravages of sun, wind and environmental abuse.

Microdermabrasion provides successful treatments for dormant acne scars and blemishes, white heads, black heads, superficial pigmentation, fine lines and wrinkles. The procedure can also blend lasered to non-lasered areas. Improvement continues throughout the treatment program, especially when combined with products specifically chosen for your skin type. Results will vary depending on your skin. Six treatments spaced two weeks apart is recommended.

Men's Facial 1hr 15min - \$65
